

PATENTED  
**MANTA™**  
MAGNETIC LATCH

Magnetic, self-latching, key-lockable with an elegant look to compliment any style.

- Glass-filled nylon material for low maintenance, strength and durability.
- Locks and unlocks from either side
- Reversible for left and right handed use without changing components
- Easy to install
- Fits gate frames from 1-1/2" to 5"
- Also great for some aluminum or wood gate applications
- Re-keyable to home locks
