

PATENTED

KEYSTONE® 2

NYLON GATE LATCH

Secure your fence or railing gate with the Keystone® 2 one- or two-sided gate latch. This gate latch features a sophisticated design and provides superior reliability that will work on vinyl, wood or metal gates. The latch comes with 4 keys and is keyed alike, to allow convenience of using the same key on multiple Keystone® 2 latches purchased together. It can be re-keyed to match a 5-pin key, to match to your house key. The Keystone® 2 latch can be installed to accommodate either left or right swinging gates; see installation instructions for details. Backed by our Million Cycle Warranty, this latch provides peace of mind and security that will stand the test of time.

- Heavy-duty design
- 6-pin cylinder
- Fits right or left handed gates
- Easy installation
