

NW216

ALUMINUM HINGE

Crafted with the utmost care and attention to detail, the aluminum hinge ensures a high standard of reliability and endurance. With its weather-resistant exterior, this hinge features a corrosion-resistant stainless steel hinge pin, guaranteeing top-notch performance in even the harshest of conditions.

Meticulously engineered for smooth operation and reduced friction over time, elevate your gates with sophistication and functionality.

- Ideal for estate gates, tailored for residential use
- Designed for seamless integration with 2" gate frames, providing a secure fit
- Crafted with a durable aluminum body, ensuring longevity and reliability
- Equipped with high-quality brass bushings for smooth operation and reduced friction
