ORNAMENTAL POOL KIT WITH TRIDENT™

ORNAMENTAL GATE HARDWARE SOLUTION FOR POOL SAFETY

LEARN MORE

Take the guesswork out of choosing the right latch for your ornamental gate with an all-in-one gate kit from Nationwide Industries®. Stylish and adaptable, our innovative gate kits are a simple way to elevate safety and security around your pool.

Our Ornamental kit features our patented, best-selling Trident™ Magnetic Pool Latch which combines powerful magnetic closure with easy installation. Featuring our Safe-Notch® anti-climb technology, your gate stays closed when stepped on.

Included with this kit is the Cornerstone® Mini Vertically Adjustable self-closing hinge. Featuring durable glass-filled nylon construction, this tough and cost-effective design is easy to install with the included self-drilling screws.

Kit includes the Cornerstone® Mini Vertically Adjustable Hinge and Trident™ Magnetic Pool Latch.

- Easy installation without the need for special equipment
- Safe-Notch® technology for added safety around the pool
- Stainless steel self-drilling screws so you can work quickly
