

PATENTED

VINYL 4" AND 5" GATE KIT

YOUR TOTAL GATE HARDWARE SOLUTION FOR VINYL FENCING APPLICATIONS

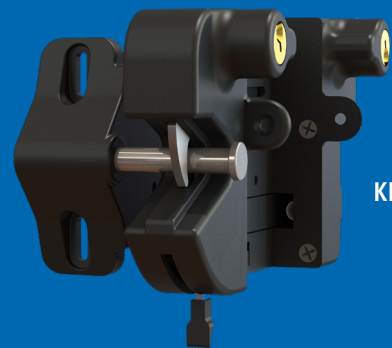

Take the guesswork out of choosing the right latch for your vinyl gate with an all-in-one gate hardware kit from Nationwide Industries®. Stylish and adaptable, our innovative gate kits are a simple way to elevate safety and security to your specifications.

Our Vinyl 4" and 5" kits feature our patented, best-selling Keystone® Traverse Gate Latch. Easy to install with self-drilling, stainless steel screws included—there are no holes to drill through your fencepost.

Nationwide Industries® Cornerstone® 2, the fully adjustable self-closing hinge, brings next-level customization to the table. Our heavy-duty hinge is rated for gates up to 135 pounds and includes a safe anti-climb design feature that makes climbing difficult and keeps your space secure.

Kit includes the Cornerstone® 2 Fully Adjustable Hinge, Keystone® Traverse Gate Latch, and Nylon Gate Handle.
