

10" GATE SPRING
FOR WOOD, VINYL, AND METAL APPLICATIONS

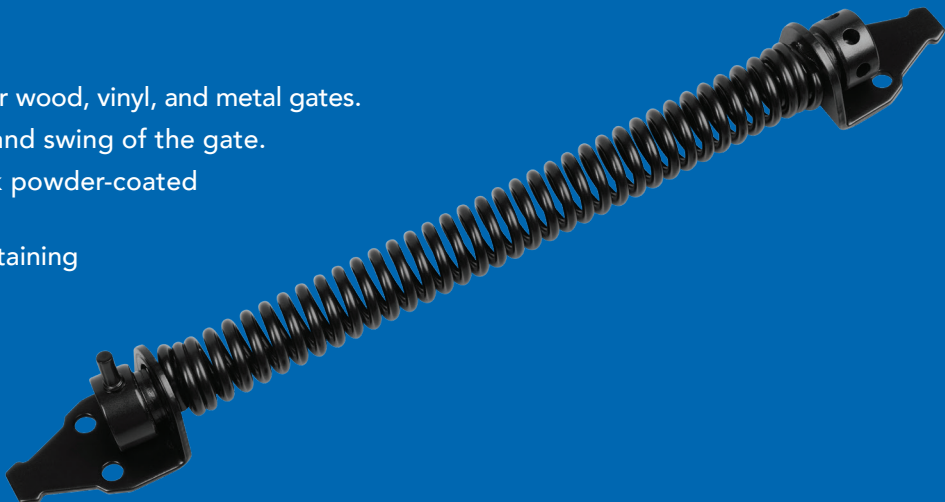

SCAN FOR MORE
INFORMATION

The Nationwide Industries® 10" Gate Spring delivers reliable self-closing action for your gate without the need for complex hardware. Built for durability and ease of use, it's a practical add-on for residential installs where closing control is a must.

KEY FEATURES:

- Provides smooth, controlled closing for wood, vinyl, and metal gates.
- Adjustable tension to fit the weight and swing of the gate.
- Durable steel construction with black powder-coated finish for long-term outdoor use.
- Supports safety standards while maintaining reliable gate function.
