INFORMATION

Built for strength and classic utility, the Nationwide Industries® 8" Traditional Double Strap Hinge is a go-to solution for straight-forward, secure gate installations. With a clean, traditional look and durable steel construction, it offers lasting performance for everyday jobs.

KEY FEATURES:

- Double-strap design provides balanced support across gate surfaces.
- 8" length is ideal for medium-duty gates and standard-width frames.
- Zinc-plated steel with black powder-coated finish offers corrosion resistance in outdoor conditions.
- Smooth hinge action ensures consistent gate movement over time.
