INFORMATION

Versatile and durable, the 8" Universal T-Hinge from Nationwide Industries® is a reliable choice for everyday gate projects. Purpose-built for wood gates, it delivers consistent results without overcomplicating the installation process.

KEY FEATURES:

- 8" length offers dependable support for standard residential gates.
- Zinc-plated steel with black powder-coated finish stands up to rust and weather.
- Built for repeated use with smooth hinge operation and consistent performance.
- Installs quickly with standard tools for efficient turnaround.
