INFORMATION

The Nationwide Industries® Nylon Gate Bumper is a simple, effective way to soften gate closure and protect hardware over time. Designed for long-term outdoor use, it helps reduce noise, absorb impact, and extend the life of your gate system.

KEY FEATURES:

- Absorbs shock to minimize gate slamming and reduce wear on hinges and latches.
- Constructed from durable, glass-filled nylon with UV inhibitors for outdoor longevity.
- Low-profile design installs easily and blends cleanly into most gate setups.
