INFORMATION

Lightweight and corrosion-resistant, the Nationwide Industries® Nylon Gate Handle is a smart choice for ones who need dependable performance without the added weight. Made with durable, glass-filled nylon, it's designed for long-term outdoor use on wood, vinyl, or metal gates.

KEY FEATURES:

- Durable glass-filled nylon with UV inhibitors resists cracking, fading, and wear.
- Lightweight construction makes installation quick and easy.
- Comfortable grip with smooth edges for everyday use.
