

**SLIDE-BAR LATCH**  
**FOR WOOD APPLICATIONS**

SCAN FOR MORE  
INFORMATION

Engineered for smooth operation and secure locking, the Nationwide Industries® Slide-Bar Latch is a reliable solution for wood gate applications. With durable construction and straightforward design, it's built to perform and last, no matter the weather conditions.

**KEY FEATURES:**

- Slide-bar mechanism provides strong, consistent locking.
- Corrosion-resistant to withstand the elements.
- Sleek design complements both traditional and modern wood gate styles.
