

STANDARD POST LATCH

FOR WOOD APPLICATIONS

SCAN FOR MORE
INFORMATION

The Nationwide Industries® Standard Post Latch delivers practical, everyday functionality for wood gate installations. With a straightforward design and proven reliability, it's well-suited for residential jobs where speed, simplicity, and performance are key.

KEY FEATURES:

- Clean, traditional latch style designed specifically for wood gates.
- Two-piece design ensures secure closure and smooth operation.
- Powder-coated, zinc-plated steel resists corrosion in outdoor environments.
- Easy installation using standard mounting hardware.
- A dependable option for residential or light-duty gate projects.
